feel.
My hearts in overdrive and you're behind the steering
wheel.

Touching yoooooh, touching meeeeh, touching you
God you're touching meoooooh

chorus
I believe in a thing called love,
Just listen to the rhythm of my heart.
There's a chance we could make it now.
We'll be rocking till the sun goes down
I believe in a thing called love
Ooooh

I wanna kiss you every minute every hour every day.
You got me in a spin but everything is A OK

Touching yoooooh, touching meeeeh, touching you God
