Can't explain all the feelings that your'e making me
feel
My heart's in over driving you behind the sterial wheel

[bridge]
Touching you, touching me
Touching you 'cause your'e such a fool

[chorus]
I belive in a thing called love
Just listen to the rhytm of my heart
If there's a chance we can make now
We'll be rockin' 'til the sun goes down
I belive in a thing called love

I wanna kiss you every minute, every hour, every day
You got me in a spin but everything you say is OK

[bridge]
Touching you, touching me
Touching you 'cause your'e such a fool

[chorus]
I belive in a thing called love
Just listen to the rhytm of my heart
If there's a chance we can make now
We'll be rockin' 'til the sun goes down
I belive in a thing called love

Guitar!

[bridge]
Touching you, touching me
Touching you 'cause your'e such a lie

[chorus]
I belive in a thing called love
Just listen to the rhytm of my heart
If there's a chance we can make now
We'll be rockin' 'til the sun goes down
I belive in a thing called love
