Can't explain all the feelings that you're making me
feel
My heart's in overdrive and you're behind the steering
wheel

Touching you, touching me
Touching you, Ohh your touchin blue

I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now
We'll be rocking 'til the sun goes down
I believe in a thing called love
Ooh!

I wanna kiss you every minute, every hour, every day
You got me in a spin but everything is A.OK!

Touching you, touching me
Touching you, Ohh your touchin blue
I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now
We'll be rocking 'til the sun goes down
I believe in a thing called love
Ooh! Guitar!

Touching you, touching me
Touching you, Ohh your touchin blue

I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now
We'll be rocking 'til the sun goes down
I believe in a thing called love
Ooh!
