Oh lord, I'm so bored  
Living on my own  
You're devilish and dirty  
They say your pushing thirty  
Well pushing thirty stone

Oh Christ, I'm enticed  
I want you in my sack  
You're motty-mouthed and brassy  
Anything but classy  
I've just got to get you back

It's been a while,  
Since I've seen that smile  
But the old magic's still there

*[CHORUS]*

And I love what you've done with your hair...oh yeah!  
I just love what you've done with your hair...oh yeah!  
Oh!

Oh crumbs, I'm all thumbs  
Lying here with you  
You're beautiful and busty

But I'm a little rusty  
I've forgotten what to do

It's been a while  
Since I made you smile  
But the old magic's still there

*[CHORUS]*

And I love what you've done with your hair...oh yeah!  
I just love what you've done with your hair...oh yeah!  
Oh yeah!

*[PIANO & GUITAR SOLOS]*

I love what you've done with your hair...oh yeah!  
I really love what you've done with your hair...oh yeah!  
I love what you've done with your hair...oh yeah!

I really love what you've done with your hair...oh yeah!
