You can't abide my showing fatigue  
When you come home just to relay  
All the events that made your heart bleed  
And the ones that ruined your day

We're not as close  
As everybody thinks  
In the eye of the storm  
We keep each other warm

Love on the rocks  
You'd do anything for a quiet life  
Love on the rocks  
Love on the rocks with no ice  
Love on the rocks  
You'd do anything for a quiet life  
Love on the rocks  
Love on the rocks with no ice

So many issues we should address  
'Cos our lives just don't correlate  
All the emotions that we suppress  
Bite our tongues until it's too late  
We're not as close  
As we used to be - you and me  
In the eye of the storm  
We keep each other warm

Love on the rocks  
You'd do anything for a quiet life  
Love on the rocks  
Love on the rocks with no ice  
Love on the rocks  
You'd do anything for a quiet life  
Love on the rocks  
Love on the rocks with no ice

Love on the rocks  
You'd do anything for a quiet life  
Love on the rocks  
Love on the rocks with no ice  
Love on the rocks

You'd do anything for a quiet life  
Love on the rocks  
Love on the rocks with no ice

Love on the rocks with no ice
