Yow!

Goin' steady in a secluded spot  
And I'm leavin' nothing to chance  
'Cause the petting's heavy and the temperature's hot  
I'll make it come in advance

Makin' out  
It's getting better and better  
Makin' out  
The back seat's getting wetter  
Makin' out  
I think I'll take off my sweater,oooh  
Makin' out  
Give me a F-F-French...letter  
Makin' out

G-G-G-Get ready, 'cause ready or not  
I am adopting the stance  
And the petting's heavy, girl i like what you've got,  
ehhh  
Lord, don't you ever stop the dance

Makin' out  
It's getting better and better  
Makin' out  
The back seat's getting wetter  
Makin' out  
I think I'll take off my sweater,oooh  
Makin' out  
Give me a F-F-French...kiss-a

I've never had a torch that shines as bright as the one  
I'm carryin' for you  
Girl, I know that you're feeling this bad, but you know  
I'm gonna see this-  
Whoa, I'm gonna see this thing through  
Mama mama mama makin' out with you

Makin' out  
It's getting better and better  
Makin' out

The back seat's getting wetter  
Makin' out  
I think I'll take off my sweater, oooh  
Makin' out  
Give me a F-F-French... letter

Mama mama your mama thinks that i'm rotten, (to the  
core)  
Can't take my eyes off your bottom, (gimme more)  
The backseats gettin wetter oooowwww
