Girl, gonna take a little time
To assess my frame of mind
'Cause I've got hopes to realign
Should I depart for cloudless climbs?

'Cause I approach things emotionally
Or at least I try
So fare thee well baby if this should be our last
goodbye
Yeah, yeah, yeah, yeah

In matters such as these your feelings cannot be
denied
'Cause every other avenue will lead to pain
In matters such as these I let my heart decide
It's out of my hands again, ooh

Girl, I don't wanna be unkind
But there's a peace, I've yet to find
So should I stand and watch my fate unwind
Or turn my back and leave it all behind?

'Cause I approach things emotionally
At least I try
So fare thee well baby if this should be our last
goodbye
Yeah, yeah, yeah, yeah

In matters such as these your feelings cannot be
denied
'Cause every other avenue will lead to pain
In matters such as these I let my heart decide
It's out of my hands again, ooh

It's out of my hands again, woo
Woo, hoo, hoo

Ahh, in matters such as these your feelings cannot be
denied
'Cause every other avenue will lead to pain
In matters such as these I let my heart decide
It's out of my hands again, ooh

It's out of my hands again
