I get up to see you wallow in defeat
(He gets up)
I get down with almost everybody I meet, except you
(He gets down)
And I fail to see why I should care
That you have had 36 years of pain to share

Did what I did what I did for you
You've got the best of me
Did what I did for you
You've got the best of me

I get up to see you look perpetually
(He gets up)
I get down to watch you fail spectacularly
(He gets down)

Oh boy, and I fail to see why I should care
That you have had 37 years of pain to share

Did what I did what I did for you
You've got the best of me
Did what I did for you
You've got the best of me

Did what I did what I did for you
You've got the best of me
Did what I did for you
You've got the best of me

Mama, Mama
