(Verse - 1)

Can't explain all these feelings that you're making me
feel
My heart's in over-drive and you're behind the steering
wheel

(Bridge)

Touching you,
Touching me,
Touching you cause you're touching me

(Chorus)

I believe in a thing called love,
Just listen to the rythm of my heart,
There's a chance we can make it now,
We'll be rockin' till the sun goes down,
I believe in a thing called love,
oooooooooooooh!
Huh!

(Verse - 2)

I wanna kiss you every minute, every hour, everyday,
You got me in a spin but everything is a okay!

(Bridge)

Touching you,
Touching me,
Touching you cause you're touching me

(Chorus)

I believe in a thing called love,
Just listen to the rythm of my heart,
There's a chance we can make it now,
We'll be rockin' till the sun goes down,
I believe in a thing called love,

oooooooooooooh!
Its on!

(Guitar solo)

(Bridge)

Touching you,
Touching me,
Touching you cause you're touching me ooooooooooh!

(Chorus)

I believe in a thing called love,
Just listen to the rythm of my heart,
There's a chance we can make it now,
We'll be rockin' till the sun goes down,
I believe in a thing called love
Ahhhhhhhhhhhhhhhhhh!
(*kiss*)
