You looked like a ghost  
Someone I knew before  
I'm looking 'bout a year ago  
Something down on the floor  
Hum... About a year ago

I saw your name in the clouds  
It was a rolling by  
About a mile high  
I watched you go on by  
Wooo... About a year ago

About a year ago

About a year ago...  
They gave you a gun  
Showed you how to run  
And how to crawl on your stomach  
Beneath the setting sun  
You were lonely, She was lonely too  
Your Baby was only three years old  
But you...  
You knew what you had to do  
About a year ago...

They shipped you on the ship  
You said it was a trip...  
Until you sound off in the morning  
And you got your gun out shining  
About a year ago  
You were a Soldier on the go  
About a year ago...

Until you seen the sand  
A bunch of hungry man  
Looking for some Peace  
But they didn't have it in their soul,  
They wanted PEACE  
But not our PEACE  
They wanted some PEACE of their own  
About a year ago...  
About a year ago...

You were riding with some guys  
From your group and then you heard the bomb  
The a mighty sound...  
You though what are we dying for?  
Were not getting anywhere  
What are we dying for?  
Were not getting anywhere  
No more, no more, no more  
About a year ago, About a year ago, About a year ago  
I sat by your wife, and your child  
About a year ago  
And Brother I miss you, I'm sorry that you had to go  
About a year ago, nothing worth it, fi-ing for...  
About a year ago, I'm sorry to let you go  
About a year ago, you know I miss you so...
