Like a flower, comes in spring
I will come to you in your dreams
As your dreaming, take my hand
Walk with me my love upon the sand

Because I love you that's why I sing for you
Because I love you that's all I wanna do
Because I love you baby
It's because of you

Like the rivers, find the sea
Through the mountains and past the fir trees
Stand beside me... yes make me strong
One more hour or one more song

Because I love you that's why I sing for you
Because I love you that's all I wanna do
Because I love you baby
It's because of you

Like the rivers, find the sea
Through the mountains and past the fir tree
Stand beside me... yes
Make me strong
For one more hour or one more song

Because I love you that's why I'm singing for you
Because I love you that's all I'm gonna do
Because I love you baby...

Yes I love you that's why I sing for you
Because I love you that's all I'm gonna do
Because I love you Baby
IT'S BECAUSE OF YOU
