Good morning Mr. Sun
The night was so much fun
But I'm all alone
I'm standing in the rain
Above a river flowing
In the drain

And I
Love Her So
Leaving her looked easier than you will ever know
But that's the way things go

I've had a bit to drink
Just enough so I'd be able to think
Although I'm pretty shy
The beauty of her smile made me sigh

And I
Love Her So
Leaving her looked easier than you will ever know
But that's the way things go

I think I'll go to bed
Hope that I'm not lost up in her head
We'll meet again someday
Please tell the night to send that girl my way

And I
Loved Her So
Leaving her looked easier than you will ever know
But that's the way things go
That's the way things go
That's the way things go
That's the way it goes
That's the way things go
