I wonder why you
Threw your diary away
When you walk by
I nearly die
What can I say

Things were fine
You were mine
Just yesterday
Now were apart
Breaking up is
Breaking my heart

I find myself
Alone at night
And then I cry
No tenderness
My happiness
Just said goodbye

Now you're gone
I'm alone
I wonder why
We had to part

Breaking up is
Breaking my heart
Baby, breaking up
Is breaking my heart

The love affair
We used to share
Is cold, and still
I loved you then
I love you now
I always will

The day that you
Found someone new
My lonely world
Just fell apart

Out of your arms
Drives me out of my mind
Baby, breaking up
Is breaking my heart
Baby, breaking up
Is breaking my heart

Breaking up
Is breaking my heart
Breaking up
Is breaking my heart
