Pum bum bum da de da
Oh oh oh yeah, yeah
Pum bum bum da de da ah
Come back to me my love
Come back to me

16 years ago today, early one Sunday morn'
Just before the break of day a cute little girl was born
From that very moment on her life's been gay and free
Laughing eyes and loving ways as sweet as she could
be

Bum bum bum da de da
Oh oh oh yeah, yeah
Bum bum bum da de da ah
Come back to me my love
Come back to me

We had a quarrel I can't forget the night I made her cry
Her tender heart just fell apart as she said, "Good-bye"
Now today is her birthday, my baby's sweet 16
But someone else is in my place to hold my every
dream

Pum bum bum da de da
Oh oh oh yeah, yeah
Pum bum bum da de da ah
Come back to me my love
Come back to me
