Pum bum bum da de da  
Oh oh oh yeah, yeah  
Pum bum bum da de da ah  
Come back to me my love  
Come back to me

16 years ago today, early one Sunday morn'  
Just before the break of day a cute little girl was born  
From that very moment on her life's been gay  
and free  
Laughing eyes and loving ways as sweet as she could  
be

Bum bum bum da de da  
Oh oh oh yeah, yeah  
Bum bum bum da de da ah  
Come back to me my love  
Come back to me

We had a quarrel I can't forget the night I  
made her cry  
Her tender heart just fell apart as she said, "Good-bye"  
Now today is her birthday, my baby's sweet 16  
But someone else is in my place to hold my every  
dream

Pum bum bum da de da  
Oh oh oh yeah, yeah  
Pum bum bum da de da ah  
Come back to me my love  
Come back to me
