Well, they're dancin' down the corner, put your best
dress on
Get with it, baby, we're gonna go all night long
Yeah, yeah, uh, uh, yeah, yeah
Get ready right now, we gonna dance on and on

Well, put those rings on your fingers, bells on your toes
Get with that feeling, baby, body and soul
Yeah, yeah, uh, uh, yeah, yeah
Well, I got the dancing fever, we gonna dance all night

Well, dance baby, dance, yeah, dance baby, dance
Uh, uh, uh, dance baby, dance, yeah, yeah, dance
baby, dance
Oh yeah, alright, let's dance

Put those rings on your fingers, bells on your toes
Get with that feeling, baby, body and soul
Yeah, yeah, uh, uh, yeah, yeah, well, I got the dancing
fever
Baby, let's dance all night

Yeah, yeah, yeah, yeah, don't stop

Come on now, dance baby, dance, I said, dance baby,
dance
Come on, dance baby, dance, yeah, dance baby,
dance
Come on, dance baby, yeah, yeah, I said, dance
Come on now, dance baby, dance, I said, dance baby,
dance
Come on sugar, sugar, dance
