Miscellaneous

Hey Miss Fanny

Here comes Fanny walking down the street

Walks so groovy and she talks so sweet

Hey Miss Fanny you sure look fine

Tell me please, won't you be mine?

Hey now Miss Fanny

Hey now please be mine

Well come on baby let's go downtown

Rock, jump and mess around

We'll hang out and raise some fun

We'll stay out till after one

Hey now Miss Fanny

Hey now please be mine

Well sugar us sweet and so are you

I'm plumb crazy 'bout what you do

My heart string it does go zing zing

Everytime you start that thing

Hey now Miss Fanny

Hey now please be mine

Well listen to me baby please

You've become my heart's ...

You've got me just wild for you

Please don't drive me crazy too

Hey now Miss Fanny

Hey now please be mine

Hey Miss Fanny, please wont you be mine

Please be mine
