Well, everyday and every way  
I know that love is a here to stay  
'Cause I like it, mmm, I like it

I'm in a stew over what to do  
But I like makin' love to you  
Yeah, I like love and I like lovin' you

They say that love will make you blind  
That may be true, yeah, but I don't mind  
'Cause I like it, ooh, I like it

I'm kinda mixed up, it's awful tough  
But I like love and that's enough  
Yeah, I like love and I like lovin' you

Well, I found out, I saw the light  
Lovin' you is sure alright  
'Cause I like it, ooh, I like it

I'm in a stew over what to do  
But I like makin' love to you  
Yeah, I like love and I like lovin' you

How did I ever get this way?  
Just wanna love you both night and day  
'Cause I like it, ooh, I like it

I'm all mixed up, you treat me rough  
But I like love and that's enough  
Yeah, I like love and I like lovin' you

Now ever since you looked at me  
I've been barkin' up your tree  
'Cause I like it, ooh, I like it

I'm all fouled up, it may be true  
But I like makin' love to you  
Yeah, I like love and I like lovin' you

Ooh, I like it, I like love  
Man, it's great, it's a stone
