"I Wanna Live"

Flowers have blooms, the oceans have waves
The sky has the clouds, people have babes
I wanna live, 'til I get old
I wanna watch all of this grow

I wanna live, live and let live
I want all the love this life has to give
I wanna smile and be friendly with you
I wanna live and let you live for me

Rover is big, Teddy is small
Betty is short, Jimmy is tall

They wanna live, live and let live
They want all the love this life has to give
They wanna smile, be friendly with you
They wanna live and let you live too
