I was a fool  
I only wanted you

I don't lose my blues  
When I pretend you're with me  
Though I make believe  
I'm still alone

When I think of you  
My empty arms remind me  
That my one true love has gone

I was a fool  
That's why I cried over you  
I was a fool  
I only wanted you

When I smile so gay  
Everybody knows  
That I've lost my love  
But that's the way it goes

When I think of you  
My empty arms remind me  
That my one true love has gone

I was a fool  
That's why I cried over you  
I was a fool  
I only wanted you
