Too many quarrels
So now we break up
No there's no chance
To ever make-up

But when they ask me

I'll say it's my fault
I'll take all the blame
I'll say I was wild
When I should have been tame

I'll say it's my fault
I'll give a good show
I'll say I'm a needle
That just wouldn't sew

Everyone will be wondering
All our friends will inquire
Which one did the blundering?
Who put out the fire?

So I'll say it's my fault
I'll say there's no doubt
Then cry as I wonder
Why it didn't work out

Everyone will be wondering
All our friends will inquire
Which one did the blundering?
Who put out the fire?

So I'll say it's my fault
I'll say there's no doubt
Then cry as I wonder
Why it didn't work out
