Music & lyrics : d. gibson

Everybodys going out and having fun  
Im a fool for staying home and having none.  
I can't get over how she set me free.  
Oh, lonesome me.

There must be some way that I can lose these  
lonesome blues  
Forget about my past and find someone new  
Ive thought of everything from a to z  
Oh, lonesome me.

Ill bet she's not like me.  
Shes out and fancy free,  
Flirting with the boys with all her charms  
But I still love her so,  
And brother don't you know  
Id welcome her right back here in my arms
