Tell me one more time with your hand in mine  
That you love me like you used to do  
Tell me one more time that you want me one more time  
Break my heart in two

Tell me one more time with your hand in mine  
That you need a love so sweet and true  
Tell me one more lie, I'll cry you one more cry  
Tell me that you love me, one more time

One more time, tell me that you care  
One more time, honey I'll be there

Tell me just once more, like you did before  
That you need a love so sweet and true  
Tell me one more lie, I'll cry you one more cry  
Tell me that you love me, one more time
