Rockabilly gal, runnin' after crazy rhythm
Rockabilly gal, woo-hoo-hoo
Rockabilly gal, runnin' after crazy rhythm
Rockabilly gal, please come back to me
Last night a certain rockabilly singer came to town
My gal says that she'd like to hear his crazy rhythm
sound
So we went down to see him and he shook her up for
sure
'Cause today he's gone and my Heather, she is
following his tour
Rockabilly gal, runnin' after crazy rhythm
Rockabilly gal, woo-hoo-hoo

Rockabilly gal, runnin' after crazy rhythm
Rockabilly gal, please come back to me

This guy was just a hillbilly singer at the start
But when he added rock 'n' roll he tore the place apart
The moment my gal heard him, you'd swear an
earthquake begins
She started with a-itchin' and a-twakin', then got up and
ran
