(Orbison/Dees)

How have you been, girl?
Hold me, and then girl
just let me look at you.
Tell me, now, is it true?

Oh, did you break up?
No chance to make up.
I hate to take up all your time,
but tell me.

Oh, no it won't be repeated.
You mean to tell me he cheated?
Oh, what a fool he's been
Oh, he is my best friend

I hate it this way,
But I've waited for this day.
I've always wanted
You to be my girl.

You're my girl, yeah my girl.
I still don't believe it
he played around on you.

All the time he knew
I loved you too

With your big eyes,full lips,
High cheek bones,
And everything about you, girl.
Your personality girl,
Gimme a chance, come on,
Let's dance,some
Dance the night awa--y;

You're my girl.you're my girl
Baby doll, baby, baby, hold me tight.
Be mine tonight, say it's alright.
And I will never, ever let you go, oh...
You're my girl, be my girl,

you're my girl.you're mine,
you're my girl.
