Darkness falls and she will take me by the hand
Take me to some twilight land
Where all but love is gray where I can't find my way
Without her as my guide

Night falls, I'm cast beneath her spell
Daylight comes, our heaven turns to hell
Am I left to burn and burn eternally?
She's a mystery to me

She's a mystery girl
She's a mystery girl

In the night of love, words tangled in her hair
Words soon to disappear
A love so sharp it cut like a switchblade to my heart
Words tearing me apart

She tears again my bleeding heart
I wanna run, she's pulling me apart
Fallen angel cries and I just melt away
She's a mystery to me

She's a mystery girl
She's a mystery girl
She's a mystery girl
She's a mystery girl

Haunted by her side it's the darkness in her eyes
That so enslaves me
But if my love is blind then I don't want to see
She's a mystery to me

Night falls, I'm cast beneath her spell
Daylight comes, our heaven turns to hell
Am I left to burn and burn eternally?
She's a mystery to me

She's a mystery girl
She's a mystery girl
She's a mystery girl
She's a mystery girl

She's a mystery girl
She's a mystery girl
She's a mystery girl

She's a mystery girl
She's a mystery girl
She's a mystery girl
