(roy orbison)Warren smith (sun 268, 1957)Well I called
you for the last time, I wonÂ't hang around no moreI
donÂ't even remember the number on your doorI
donÂ't need you any longer, I donÂ't want your
devilÂ's charmSo go and cry your heart out, in your
other loverÂ's armSo long, IÂ'm gone, you wonÂ't
forget meI hope you recall all of our funSo long, be
sweet and rememberWhen you want me back, think of
what youÂ've doneYouÂ've lost a guy who loved you,
donÂ't say I didnÂ't tryThis time IÂ'm gone forever,
IÂ've said my last goodbyeSo long, IÂ'm gone, you
wonÂ't forget meI hope you recall all of our fun, so
long, be sweet and rememberWhen you want me back,
think of what youÂ've done
