(orbison/c.price)

(roy): when I saw you standing there on the street,  
I found myself by your side.  
I started wanting you again;  
There's just no way to hide

From that old lovin you feelin again,  
Its really got me reelin again.  
It only seems to stop  
To start all over again with you.

(emmy): I remember how you always get  
That certain look in your eye.  
Youre not easy to resist,  
But I just walked on by

With that old lovin you feelin again.(lovin you feelin)  
Its really got me reelin again.(lovin you)  
It only seems to stop  
To start all over again with you, (lovin you feelin)

(both):lovin you feelin with you.

(roy): we were so close.

(emmy): we were too far apart.

(roy): I gave you my love.

(emmy): I wanted your heart.

(both): without yesterday caught in the way,  
Maybe wed still be together,

Sharing that lovin you feelin again.  
Its really got me reelin again.  
Will it ever stop and not start over again,  
That lovin you feelin again? .

No matter how much I try,  
This lovin you feelin is why

Its taken such a long, long time  
To say goodbye.

And getting over you.is so hard to do  
With this feeling loving you.  
That lovin you feelin again,

Lovin you feelin again...  
That lovin you feelin again  
Lovin you feelin again...  
That lovin you feelin again  
Lovin you feelin again...  
That lovin you feelin again  
Lovin you feelin again...
