I'll pretend I'm free from sorrow
Make believe that wrong is right
Your wedding day will be tomorrow
But there'll be no teardrops tonight

Why, oh why should you desert me
Are you doin' this for spite?
If you only want to hurt me
Then there'll be no teardrops tonight

I'll believe that you still love me
When you wear your veil of white
Then you think that you're above me
But there'll be no teardrops tonight

Shame, oh shame for what you're doin'
Other arms will hold you tight
You don't care whose life you ruin
But there'll be no teardrops tonight
