"Roy Orbison wants to get together again"

Baby, how it hurts to break up, but it's so much fun to
make up
Let's do the things we used to do, you love me and I
love you
Let's talk again, joke again let's get together for a coke
again

Things go better with Coca Cola, things go better with
Coke
Let's relive the date that we just broke, our favorite
cafe, the special of the day
The jukebox playing, things go better with Coke

Well, waiter, waiter, treat us right, you remember what
we like
She's back again, by my side again, waiter, we want to
feel alive again

Things go better with Coca Cola, things go better with
Coke
I;m glad we kept the date we almost broke, our favorite
cafe, the special of the day
The jukebox playing, things go better with Coke

(spoken) "You never get tired of it's taste Coke after
Coke"
