"Roy Orbison takes a break"

Stayed out too late, at work at eight, don't wanna wait
for that ten o' clock break

Big man, if you can, let me go for a coke right now
For things go better with Coca Cola, things go better
with Coke

I'll get caught up if you'll let me stop for a coke, a big
tall frosty ice cold bottle of Coke

Fun goes better with, food goes better with, people go
better with Coke

The real live one puts extra fun in you and everything
you do

Big man, let me take a five minute break, things go
better with Coke, things go better with Coke

(spoken) "Sometimes on big jobs I drink Coke after
Coke after Coke
and I never get tired of the taste"

Yeah, things go better with Coke
