The town is not the same
My friends don't know my name
Lots of things have changed
Things seem so wrong
Since Ive come home

Its been a year or so
Since I had to go
I wonder if she's waiting
Or has she betrayed
The promise she made

Now as Im walking to her
My doubts are too much to bear
Was she faithful or untrue?
If Ive lost her, what will I do
Now, were face to face
As her eyes meet mine
The answer I find is
Time changed everything
Time changed everything
Time changed everything
But her
