Try to remember the kind of September  
When life was slow and, oh, so mellow  
Try to remember the kind of September  
When grass was green and grain was yellow

Try to remember the kind of September  
When you were a tender and a callow fellow  
Try to remember and if you remember  
Then follow

Try to remember when life was so tender  
That no one wept except the willow  
Try to remember when life was so tender  
And dreams were kept beside your pillow

Deep in December, it's nice to remember  
The fire of September that made us mellow  
Deep in December, it's nice to remember  
And follow
