Walk on
If you should meet
Walk on
On down the street

Walk on
Don't even look
Walk on
Close up the book

We don't want the world to see us
Like we are
We should never have even
Gone this far

Quickly brush away that teardrop
Walk away darling, don't stop
Don't look back for me
Baby, walk on

Walk on
Don't turn around
Walk on
To higher ground

Take the love we shared together
Keep it in your heart forever
Don't forget me
Oh, baby, walk on

If you ever loved me
Baby, walk on
