You're the figure of a woman  
You're the mind of a child  
A pretty whirlwind

You don't know just what you're doing  
When you love me with your smile  
A lovely whirlwind

A whirlwind Of warm desire  
Whirlwind, Burning fire Woman, realize  
That the devil in disguise, Is a whirlwind  
Born to be running wild and free

Whirlwind

Born to make fools of guys like me  
You pick me up like a whirlwind  
You put me down like a whirlwind  
Each time you touch me I'm trouble-bound  
Whirl,whirl,whirlwind, Whirl,whirl,whirlwind  
Whirl,whirl,whirlwind, Whirl,whirl,whirlwind  
Whirlwind
