Workin' For The Man
Roy Orbison

Hey now you better listen to me everyone of you
We got a lotta lotta lotta lotta work to do
Forget about your woman and that water can
Today were working for the man

well pick up your feet
we've got a deadline to meet
I'm gonna see you make it on time
Don't relax
I want elbows and backs
I wanna see everybody from behind

'Cause your working for the man working for the man
you gotta make him a hand when you're working for
the man

Oh well I'm pickin' 'em up and I'm laying 'em down
I believe he's gonna work me into the ground
I pull to the left I heave to the right
I wanna kill him but it wouldn't be right

'Cause I,m working for the man working for the man
gotta make him a hand when you're working for the
man

Well the boss man's daughter sneaks me water
everytime her daddy's down the line
she says meet me tonight love a me right
and everything is gonna be fine
So I slave all day without much pay
'cause I'm just abiding my time
'cause the company and the daughter you see
Their both gonna be all mine

Yah I'm gonna be the man gonna be the man
Gotta make him a hand if I'm gonna be the man

working for the man working for the man

gonna be the man gonna be the man
Gotta make him a hand working for the man (Julio C
Pereira)
