I'm a poor peasant boy  
I'm a dirt farmer's son  
And I feel like a king  
when I know that my work is all done

For at twilight I know  
There's a place I must go  
And sing my song over for one who waits all alone

Refr. Yo te amo Maria  
Maria amoro  
Yo te amo Maria  
Maria mi amoro

All the beautiful sights  
All the great city lights  
Where most people must run  
to try to have fun  
not for me

For this woman of mine  
Is much sweeter than wine  
And I spend all the time I can find with my Maria

Refr.: Yo te amo Maria

All the joy of my life  
Will one day be my wife  
And we'll spend all our days  
atching the world roll on by

When her time comes to fly  
To that home in the sky  
I pray the angels above will love her as much as I

Refr. Yo te amo Maria...
