You lay so easy on my mind  
Oh so easy on my mind  
Whenever I need you  
All I have to do is close my eyes

You lay so easy on my mind  
Oh so easy on my mind  
Wrap me in your warmness  
And let me feel your body close to mine

Everything you say and do  
Finds me wanting more of you  
And each moment brings  
To life a million dreams

Heaven's something real  
Yes, it's something I can feel  
When I feel your angel touch all over me

You lay so easy on my mind  
Oh so easy on my mind  
Oh, there's not a thought of me  
Your sweet love don't reach to satisfy

Everyday I need you more  
You're the one I'm living for  
And the best you'll ever give you've given me

You completely satisfy every need I have inside  
And I pray you'll never take your love from me  
You lay so easy on my mind oh so easy on my mind

Oh, there's not a thought of me  
That your sweet love don't reach to satisfy  
Oh, there's not a thought of me  
That your sweet love don't reach to satisfy
