Orbison/petty/wilson

Buddy holly version

You got two lips that look so fine
You got one heart I wish was mine
Love, sweet love, you've got love

I've got two arms that you could use
To make me lose my blues
Love, sweet love, you've got love

You've got love, real love
You've got love, sweet love
You've got love that is true
I want only you

You got two eyes so you can see
Your love was meant for me
Love, sweet love, you got love

You've got love, real love
You've got love, sweet love
You've got me in a spin
I love this spin I'm in

You got two eyes so you can see
Your love was meant for me
Love, sweet love, you got love

Peanuts wilson version

You got two lips that look so fine

You got one heart I wish was mine
Love, real love, you've got love

I've got two arms that you could use
To make me lose my blues
Love, sweet love, you've got love

You've got love, real love
You've got love, sweet love
You've got love that is true
I want only you

You got two eyes so you can see
Your love was meant for me
Love, true love, you got love

You got two lips that look so fine
You got one heart I wish was mine
Love, real love, you've got love

I've got two arms that you could use
To make me lose my blues
Love, sweet love, you've got love

You've got love, real love
You've got love, sweet love
You've got me in a spin
I love this spin I'm in

You've got two hands I love to touch
You got good love I need so much
Love, good love, you've got love
