CHERRY HILL PARK

Written by B. Gilmore/R. Nix

Mary Hill used to hang out in Cherry Hill Park  
The game she played lasted all day to way after dark  
Now all the girls they criticized her but all the guys just  
idolized her  
Â'cause Mary Hill was such a thrill after dark, in Cherry  
Hill Park

Mary Hill loved to ride on the merry-go-round  
All the guys got eager eyes watchin' Mary go 'round  
Now in the daytime Mary Hill was a teaser  
Come the night she was such a pleaser  
Mary Hill was such a thrill after dark, in Cherry Hill Park

Whoa Mary Hill sure was fun down at Cherry Hill Park  
Playin' games with everyone 'till way after dark  
In Cherry Hill Park, in Cherry Hill Park

And then one day, Mary Hill, she married away  
A man with some money said "Come on honey" and  
she said "Ok"  
She went away to play a one man game  
And since that day it ain't been the same  
Â'cause Mary Hill was such a thrill after dark, in Cherry  
Hill Park

Whoa Mary Hill sure was fun down at Cherry Hill Park  
Playin' games with everyone 'till way after dark  
In Cherry Hill Park, in Cherry Hill Park  
In Cherry Hill Park, in Cherry Hill Park  
In Cherry Hill Park, in Cherry Hill Park
