Spoken....

This ist got to be the sadest day of my life
I called you here today for a 'bit of bad news
I won't be able to see you anymore (oh, oh, oh... my
love)
Because of my obligations and the ties that you have

We've been meeting here every day (...my love)
And since this is our last day together
I wanna hold you - just one more time

When you turn away, don't look back (... my love)
I wanna remember you, just like this:
Let's just kiss an say goodbye

.. end (spoken)

I had to meet you here today
There's just so many things to say
Please don't stop me till I am through
This is something I hate to do

We've been meeting here so long
I guess, what we done all is wrong
Please, darling, don't you cry
Let's just kiss and say goodbye

Many months have passed us by (I'm gonna miss you)
I'm gonna miss you, I can't lie (I'm gonna miss you)
I got ties and so do you
I just think this is the thing to do

It's gonna hurt me, I can't lie
Maybe you'll meet, you'll meet another guy
Understand me, won't you try, try, try, try, try
Let's just kiss and say goodbye

Um-mm (I'm gonna miss you)
I'm gonna miss you, I can't lie (I'm gonna miss you)
Understand me, won't you try (I'm gonna miss you)
It's gonna hurt me, I cant lie (I'm gonna miss you)

Take my hand and just wipe your eyes (I'm gonna miss
you)
Maybe you'll find, you'll find another guy (I'm gonna
miss you)
Let's kiss and say goodbye and say goodbye pretty
baby (I'm gonna miss you)
Please don't you cry (I'm gonna miss you)
Understand me, won't you try (I'm gonna miss you)
Let's just kiss and say goodbye (bye)
