Slow down, darling
Try to see this my way
I just felt a little bit of me slip away
Oh, darling
I ain't running away
I just have one more thing to say
And I've been making sacrifices
While you're deciding what my life is
Judging where I've been
And deciding where I'm going
From time to time I take a walk
Try to think of what to say when you want to talk
But you never listen to me
Hold myself back when I want to scream
