Well, you've been gone a long time
But you claim to be mine
Our relationship has fallen by the wayside
Keep me at arms length
Do whatever it takes
To get us back into our old ways

Where you been? (Where you been?)
Where you been? I know that I have been true
Where you been? (Where you been?)
Where you been? Can't say the same for you

Girl, you gotta sit down
Why you running around?
I've been sitting home
While you've been skipping round town
You say you got love for me
But all you do is leave
Now I'm begging for the truth, please

Where have you been?
Where have you been?
Where have you been?

Yeah, I wanna get hot
She's more like an icebox
I'd rather be making love
But something made her heart stop
