I wanna listen  
If you got an answer  
That we haven't tried before  
And I'm gonna give in  
And tell you that you win  
If that will close the door

Don't wanna take sides  
If I'm not on either one  
I'm wanna speak out loud  
Am I in the right place  
Tip of the freedom  
Or maybe just the best one

Give it up for the new tradition  
Burn the flag of another side  
What's the point of a new direction  
When we get nowhere everytime

Are we the hopeless  
And are we still breathing  
Wasting space and air  
Show me in action  
Not just reaction  
Just admit that we don't care

Give it up for the new tradition  
Burn the flag of another side  
What's the point of a new direction  
When we get nowhere everytime

Ooooooooooooooooooooo  
Ooooooooooooooooooooo

Give it up for the new tradition  
Burn the flag of another side  
What's the point of a new direction  
When we get nowhere everytime

Give it up for the new tradition  
Burn the flag of another side  
What's the point of a new direction

When we get nowhere everytime
