I've been think about what... (x3)  
I've been think about what you have done to me.

I've been think about what... (x3)  
I've been think about what you have done to me.

Comfort zone (x2)

Its time to movin' on,  
this is where you belong,  
in the comfort zone,  
Feel the atmosphere,  
theres something in the air,  
in the comfort zone.

Its time to movin' on,  
this is where you belong,  
in the comfort zone,  
Feel the atmosphere,  
theres something in the air,  
in the comfort zone.

I've been think about what you have done to me.  
(remixed)

People betray me.  
People betray me.

I've been think about what you have done to me.  
(remixed)

People betray me.  
Comfort zone  
People betray me.
