Oh yeah!

Well I'm just a poor boy and my day is on repeat
I live amongst the common
I know the smell of concrete
You are the President's daughter
But you are blue baby blue
I've got a getaway plan
And that is what we're gonna do

She's got it all
I want her
In love with the President's daughter
It can't be right
It's not fair
I'm in love with the President's daughter

So, I'm standing there
Waiting at the gate
A shadow of a man in front of me
I thought I heard him say

Hey!
You wanna get with the President's daughter?
You ain't getting it tonight

And I said
Forgive me my highness if I seem out of line
There's only one thing on my mind

She's got it all
I want her
In love with the President's daughter
It can't be right
It's not fair
I'm in love with the President's daughter

She's so sad, she's all alone
200 bodyguards outside her door
She's got style, she's got class
She's got a smile, she's got cash

The President's daughter
Oh, the President's daughter
Oh yeah, oh yeah yeah

She's got it all
I want her
In love with the President's daughter
It can't be right
It's not fair
I'm in love with the President's daughter
