Bring forth the crown  
The royal is in town  
All rise, hear ye!  
This is the first decree

New era!  
The new reign  
Blue blood is in my veins  
Hear ye!  
Let it be known  
We come to claim the throne

We are the royal  
We are the royal  
We are the royal  
We are the royal

Our scheme so grand  
We come to make a stand  
No gold  
No rings  
We are the brand new kings

New era!  
The new reign  
Blue blood is in my veins  
Hear ye!  
Let it be known  
We come to claim the throne

We are the royal  
We are the royal  
We are the royal  
We are the royal
