Could you be my brown eyed girl, baby you're a stunna'
Saw you from my humma'
You can have my numba'
Brown eyed girl, hotter than the summa', around you I
get dummer
I could be your wonder, brown eyed girl

VERSE 1:

Now she's my baby, such a cutie, eyes look like a bad
from Louie
Picture perfect, she's a ten, she's my lover, she's my
friend
She's the other half no other girl can ever match
She's the lighter, I'm the flame, she's the heartbreak,
I'm the pain
We just go together so forever, nobody could know me
better
Nobody could love you better, "L" has never been my
letter
Till' today now I say, I love you, you love me too
She's my baby I'm her boo, come here brown eyes I
love you

CHORUS:

Could you be my brown eyed girl, baby you're a stunna'
Saw you from my humma'
You can have my numba'
Brown eyed girl, hotter than the summa', around you I
get dummer
I could be your wonder, brown eyed girl
Could you be my brown eyed girl, baby you're a stunna'
Saw you from my humma'
You can have my numba'
Brown eyed girl, hotter than the summa', around you I
get dummer
I could be your wonder, brown eyed girl

VERSE 2:

I got it from here for me, could you be my shawty, I
could be your god
Because that's my baby, she got me hypnotized

The way she moves her body side to side
Never seen something so fly, she the type I want to try
brown eyed baby, so crazy
You got me falling in love,
I know you dangerous but I just can't get enough
The way you put it down, got me givin' you the crown
Ladies when I come to town, holler if your eyes are
brown

CHORUS:

Brown eyed girl, baby you're a stunna'
Saw you from my humma'
You can have my numba'
Brown eyed girl, hotter than the summa', around you I
get dummer
I could be your wonder, brown eyed girl
Could you be my brown eyed girl, baby you're a stunna'
Saw you from my humma'
You can have my numba'
Brown eyed girl, hotter than the summa', around you I
get dummer
I could be your wonder, brown eyed girl

Te amo mi amor, never felt like this before, she's the
one that I adore
She's the one for me I'm sure (x2)

Brown eyed girl, baby you're a stunna'
Saw you from my humma'
You can have my numba'
Brown eyed girl, hotter than the summa', around you I
get dummer
I could be your wonder, brown eyed girl
Could you be my brown eyed girl, baby you're a stunna'
Saw you from my humma'
You can have my numba'
Brown eyed girl, hotter than the summa', around you I
get dummer

I gotta have you girl
I gotta have you girl
