Baby I know that you love me like you never loved
nobody
Baby shut up and love me shut up and love me
I oh I want you to my girl girl
I oh I gotta have you in my world
Baby lets get this party started take you to your favorite
island girl I'll lace you up in diamonds if you be my girl
girl be my girl girl be my girl girl be my girl girl you
already know be my girl girl be my girl girl be my girl
girl be my girl girl

(Verse 1)

I hate what you put me threw cuz you kno that I'm
hooked to you it's not far say you love me but your a
little scared, scared of the pain, scared imaa change,
baby girl ima man I'm grown and I don't wanna spend
another day alone, I love you I don't want you to go
baby I just wanna let you kno, aye shut up and love you
tell me u need cuz I don't wanna leave you and you
don't wanna leave me I know these fellas wanna be me
and all the girls wanna be you wishen they can be us
but can't no one mess with wat we got cuz we hot lil
mamma you my heart and soul so you better listen
while I hook this soul

(Chorus)

I oh I want you to my girl
I oh I gotta have you in my world
Baby lets get this party started take you to your favorite
island girl I'll lace you up in diamonds if you be my girl
girl be my girl girl be my girl girl be my girl girl you
already know be my girl girl be my girl girl be my girl
girl be my girl girl

(Verse 2)

I know you heart is hurten but it'll be ok if you just carry
your belongings come and walk my way cuz I can feel
you I love you n hold you tight eat you like a beatle
drink be your queen be my queen everything, you need
I provide, crib and a ride ring on the finger with kid on
the side lil mamma so fly o my lil mamma so bad don't

shy, cuz she's mine n I'm hers I'm balls she's purse,
baby girl you my heart and soul, better listen as I hit
this tone

(Chorus)

I oh I want you to my girl girl
I oh I gotta have you in my world
Baby lets get this party started take you to your favorite
island girl I'll lace you up in diamonds if you be my girl
girl be my girl girl be my girl girl be my girl girl you
already know be my girl girl be my girl girl be my girl
girl be my girl girl
Baby I know that you love me like you never loved
nobody
Baby shut up and love me shut up and love me (2x)

I oh I want you to my girl girl
I oh I gotta have you in my world
Baby lets get this party started take you to your favorite
island girl I'll lace you up in diamonds if you be my girl
girl be my girl girl be my girl girl be my girl girl you
already know be my girl girl be my girl girl be my girl
girl be my girl girl
Could you be my girl (4x)
