VERSE 1

When I was a boy, I sold a lie, sold it to you
And all
I wanted to say "I wish you were here, I wish it would
rain" now
I'm hearing alarms, ring in my ears, I'm caught in the
sound now,
The one thing I know, I couldn't recall, till I heard you
say...

BRIDGE

Put on your brakes, Lord if I could just get through
today
Put on your brakes, sorry but I just can't walk away

CHORUS

Yeah - this is your life,
Don't you cry, cos it's all-right
As we dance, for the last time

VERSE 2

Sat on the road, Watching the cars, Sink in the
reservoirs I know
It's just like you said when all of the world is spinning
inside your head
And now
If I could run the miracle mile, I'd run as the city's
burning down
The one thing I know, I couldn't recall, till I heard you
say...

BRIDGE

Put on your brakes, Lord if I could just get through
today
Put on your brakes, sorry but I just can't walk away

CHORUS and OUTRO

Yeah - this is your life,
Don't you cry, cos it's all-right
As we dance, for the last time, yeah
COME ON COME ON SAY IT!
Yeah - this is your life,

Don't you cry, cos it's all-right
As we dance, for the last time, yeah
YOU KNOW, YOU KNOW, YEAH!
Yeah - this is your life,
Don't you cry, cos it's all-right
As we dance, for the last time, yeah
(FADE OUT)
